Le Calcinaie 2017 Ingredienti: UVA

Toscana, Tuscany

Red wine from Italy

Drinking window: 2018 - 2021

The 2017 Ingredienti: UVA is 100% Sangiovese fermented and aged with no SO2. The warm, dry year produced an exuberant, rich wine packed with super-ripe dark stone fruit character that gives the wine its decidedly flamboyant personality. I would prefer to drink the 2017 sooner rather than later, ideally with similarly bold cuisine.

Le Calcinaie 2016 Ingredienti: Uva

**Casole D'elsa (Siena), San Gimignano (Chianti
Colli Senesi, Siena), Tuscany**

Red wine from Italy

Drinking window: 2017 - 2024

The 2016 Ingredienti: Uva, the estate's 100% Sangiovese done with no SO2, is fabulous. Exuberant and intense in all of its dimensions, the 2016 possesses tons of depth and raciness to match the dark Sangiovese flavors. Black cherry, plum, smoke and licorice infuse the racy, inviting finish.

Le Calcinaie 2015 Ingredienti: UVA

Toscana, Tuscany

Red wine from Italy

Drinking window: 2016 - 2023

The 2015 Ingredienti: Uva is a new 100% Sangiovese done with no SO2. Powerful, deep and intense, the 2015 offers superb richness as well as personality. This is an especially ample wine from Le Calcinaie. As good as the 2015 is, I must warn readers that wines made and bottled with no SO2 are extremely fragile and sensitive to even the slightest temperature shocks in transportation.
