Country	Italy	Score
Region	Tuscany	<b>92</b>
Vintage	2019	

A tight, reserved red with dried berries, cherries and some chocolate and walnut undertones. It's medium-bodied with firm, compact tannins and a fresh finish. From organically grown grapes. Drink or hold.

## Le Calcinaie 2019 Ingredienti: Uva

San Gimignano, S. Lucia, Tuscany

Red wine from Italy

Drinking window: 2020 - 2027

Simone Santini's 2019 Ingredienti: Uva is 100% Sangiovese done with no additives at all. A burst of dark Sangiovese fruit hits the palate as this exuberant red shows off its personality. Deep, dark and full of primary fruit, the 2019 packs a serious punch. I am not sure how well the 2019 will age, but it is immensely delicious today. The stripped down style is incredibly appealing.

## TENUTA LE CALCINAIE INGREDIENTI UVA 2019

‘Made with no added sulfites, this 100% Sangiovese has aromas of red-skinned berry, underbrush and baking spice. The bright, juicy palate doles out red cherry, crushed raspberry and cinnamon alongside taut tannins and lively acidity. It’s made to be enjoyed young, so drink 2023.’

**Le Calcinaie 2017 Ingredienti: UVA**

**Toscana, Tuscany**

Red wine from Italy

**Drinking window: 2018 - 2021**

The 2017 Ingredienti: UVA is 100% Sangiovese fermented and aged with no SO2. The warm, dry year produced an exuberant, rich wine packed with super-ripe dark stone fruit character that gives the wine its decidedly flamboyant personality. I would prefer to drink the 2017 sooner rather than later, ideally with similarly bold cuisine.

**Le Calcinaie 2016 Ingredienti: Uva**

**Casole D'elsa (Siena), San Gimignano (Chianti  
Colli Senesi, Siena), Tuscany**

Red wine from Italy

**Drinking window: 2017 - 2024**

The 2016 Ingredienti: Uva, the estate's 100% Sangiovese done with no SO2, is fabulous. Exuberant and intense in all of its dimensions, the 2016 possesses tons of depth and raciness to match the dark Sangiovese flavors. Black cherry, plum, smoke and licorice infuse the racy, inviting finish.

**Le Calcinaie 2015 Ingredienti: UVA**

**Toscana, Tuscany**

Red wine from Italy

**Drinking window: 2016 - 2023**

The 2015 Ingredienti: Uva is a new 100% Sangiovese done with no SO2. Powerful, deep and intense, the 2015 offers superb richness as well as personality. This is an especially ample wine from Le Calcinaie. As good as the 2015 is, I must warn readers that wines made and bottled with no SO2 are extremely fragile and sensitive to even the slightest temperature shocks in transportation.
